PROGRAM OVERVIEW

INSURANCE INDUSTRY TRAINING

Join our Three (3) Week Job Training & Hiring Program to start your full-time career in the insurance industry! You will be trained in principles of insurance, introduction to insurance software systems, job preview and practice in insurance transaction processing, business professional mindset and skills-building, and interviews & hiring.

PROGRAM BENEFITS

JOB SKILLS

Gain knowledge and skills for insurance and related industry jobs

CAREER LAUNCH

Connect and interview with insurance employers committed to neurodiversity inclusion

COMMUNITY

Join our neurodiverse talent pool and a community of peers & employers

We will be your trusted partners on this journey!

APPLICATION PROCESS

1. Submit your application and resume on our online Talent Intake Form
2. Meet one-on-one with our team for a job preview and skills assessment to determine if this program and job roles are a good fit for you

**PROGRAM
APPLICATION**
